

2023 Hearts and Paws

“Help Us Protect Their Journey”

Things are slowly getting back to normal. As normal as it can be. It has been a crazy year due to the pandemic and spays and neuters were at an all-time low. Pregnant cats are popping up everywhere by the hundreds and thousands. TNR people are reporting the numbers and it is not good. There is not enough space anywhere to save them all, but we all try. Spay and neuter clinics were closed most of 2021 and still backed up. Those thousands have been busy reproducing. All the work of TNR people and facilities like ours has been and will be hit hard again this year. It has continued non-stop. Spay and neuter is the only solution. Again, more cats and kittens have been coming in with serious illnesses or injuries. We will continue in our mission to save the homeless, as many as we can! The sad reality is that it is more than likely other shelters will choose to euthanize than to heal because of the mass numbers. At Cozy Cat Cottage, we will always believe that no cat should be euthanized simply because he/she does not have a home. **We need your help more than ever** to support the keep and care for cats of all ages, while attempting to find permanent, responsible, and loving homes.

Cozy Cat Cottage works tirelessly 365 days a year to help the Central Ohio homeless cat population. Since opening in 1998, we have found forever homes for 13,100 homeless cats & kittens that may not have survived without our help and yours.

In 2022 Cozy Cat Cottage Adoption Center:

-  Found loving homes for **757 rescued cats and kittens.**
-  Facilitated over **709 spay/neuter surgeries** to reduce the cat population explosion.
-  **Spay/Neuter** While having to limit this service in 2021 and 2022, we continue to offer low cost **to the public** to assist them in the cost of caring for strays or their own pets when funds are available.
-  **Partnered** While large sources were unavailable, we continued to work **with other local (dog and cat) organizations** and individuals to share any excess food and supplies whenever possible.

We are proud of the work we have accomplished together with our supporters. **There is still much work to be done and our need is great.** Will you join us in 2023 to continue to provide refuge, aid and care to homeless cats and kittens?
Your generous gift will impact hearts and paws across Central Ohio.
